Education

Xavier Institute Of Engineering

Bachelor of Engineering in Information Technology

Expected May 2025

GPA: 8.5 / 10.00

Projects

Digital Library | React, Spring-boot, Vercel, AWS Cloud

[Link](#) | [Github](#)

- Developed a scalable backend using Spring Boot, implementing robust OOP principles.
- Implemented secure cloud storage solution using Amazon S3.
- Pointed the server IP to a domain and secured it using cloudflare.

e-Commerce (CRUD API) | React, Spring-Boot, Postgres, AWS Cloud

[Link](#) | [Github](#)

- Created a comprehensive CRUD API demonstrating strong problem-solving skills
- Integrated AWS RDS Postgres database, ensuring robust data management and high availability for e-Commerce website.
- Demonstrated teamwork and collaborative development approach.

Chat Web App | React, Spring-boot, AWS

- Engineered real-time communication platform using WebSockets.
- Utilized AWS Cloud for scalable, high-performance deployment.

Certifications — LINK

- **DSA in Java by Apna College** : Completed a course in Data Structures and Algorithms (DSA) using Java, focusing on Object Oriented Programming, problem-solving techniques and optimizing algorithmic efficiency.
- **Java Spring Framework with Spring Boot 3** : Build Java applications using the Spring Framework and Implemented projects using Spring Boot, with hands-on experience in deploying on AWS Cloud.
- **Docker For Java Developers** : Learned the basics of containerization and how to create, run and manage Docker images and containers.

Achievements

- **DSA** : Solved **200+ Coding problems** on different coding platforms.
- **Academic** : Excelled in MHT-CET 2021, securing a **TFWS** category seat (**top 5%**) in my college

Technical Skills

- **Languages**: Java, JavaScript, SQL, HTML, CSS, React
- **Technologies**: Postman, GitHub, Docker, AWS Cloud, Postgres, MongoDB, SQL
- **Coursework** : Data Structures and Algorithm, Computer Network, Operating System, DBMS, Object Oriented Programming

Volunteering

- **TedX** : Orchestrated alumni relations team, increasing participation through cold emailing and cold calling.
- **Spandan** : Led cultural fest engagement, coordinating multi-team efforts to enhance event visibility and funding.
